June, 2010

Dear Community Member/Business Leader:

*Will County Take Back the Night's* steering committee invites you to join us as we work to end some men's violence against women.

This year's *Will County Take Back the Night* 14<sup>th</sup> annual vigil and march will take place Thursday, October 14, 2010 at the University of St. Francis, 500 Wilcox Street in Joliet. The event begins at 6:00 p.m.

At this vigil, we will solemnly honor more than 50 women victims, their minor children and other female children who were murdered in Will County over the last 10 years. We will also honor those women who have survived. As always, we will have information from local agencies and TBTN items will be available for purchase as well.

Please contribute to *Take Back the Night* through a sponsorship. We understand that these are hard times for all, but agencies receiving these monies have been hit even harder with many of their grants on hold and even terminated due to the lack of federal and state funds. By sponsoring this event, you will help make a difference in the lives of many by providing support to local agencies that work on behalf of victims.

Another way you can help is to post our event's information on your marquee or hang a poster in your workplace announcing the event. For more information about other ways you can lend support, contact Lora McGuire at 815-725-6847.

Please checkout the *Will County Take Back the Night* website at [www.willtbtn.com](http://www.willtbtn.com) for further information about this year's event, sponsorships and links to important resources.

Thank you,  
The *2010 Will County Take Back the Night* Steering Committee

**Please help support the 2010 Will County Take Back the Night vigil and march by joining us at the event and/or by becoming a sponsor. Through your help and participation you will be a part of a community, as well as, a worldwide effort to take action against the disturbing problem of violence against women.**

**Rally begins at 6 p.m.
